Thousands Stand Up for Life

37th Annual March and Rally for Life Received Overwhelming Response

Phoenix, AZ -January 24th -Under a beautiful sunny sky, thousands of Pro-Life Demonstrators assembled Sunday for the 37th Annual Arizona Pro-Life March and Rally. The March began at Brophy College Preparatory School and proceeded along a 1-Mile Route, to the Steele Indian School Park Ampitheater.

Attendees enjoyed inspirational presentations from a variety of high-profile Pro-Life Leaders, including Congressmen John Shadegg and Trent Franks, State Treasurer Dean Martin, and others. The Ike Ndolo Band, Rapper Brandon Kagel, and Singer Rebecca Woodbury shared their musical gifts with the crowd. Representatives from over 30 Pro-Life organizations, individuals and campaigns were on hand to interact with the crowd and plug people in to pro-life action. Arizonans responded with overwhelming generosity in their donation of diapers for area pregnancy and elder care centers.

[The pictures tell the story](#) of this amazing day! They show the [innumerable size of the crowd](#), that was too large to fit in a single photo. They show the line of marchers, [stretching as far as the eye could see, in both directions](#).

They display the [revealingly small amount of Pro-Abortion counter-demonstrators](#) and how their tiny group was quickly overwhelmed by the [huge crowd of Pro-Life supporters](#). They record the presence of [Governor Brewer](#), [Senator Jon Kyl](#), [Bishop Thomas Olmsted](#) and other prominent Arizona Leaders. They reveal that the event was attended by [men](#) and [women](#), [of all ages](#), and [all walks of life](#).

We also hope that you'll plan to join us for next year's march and rally, already scheduled for **Saturday, January 22nd, 2011**, where we hope to be celebrating the permanent end to legalized abortion in the United States.

We heard from several leaders on Sunday that the tide is turning in the culture, in Washington and in Arizona. We pray that you were encouraged by this weekend, either by being there, by reading this report, or both. We encourage you to continue telling the truth of the pro-life message, especially during this important election year. If we can be of service to you with pro-life training, resources, or information, please contact us!
